Edition: July to December 2023

# Message

**Prof. Dr. Tayyaba Zarif**
Vice Chancellor
GC University Hyderabad

It give me immense pleasure to present to you the January - December 2023 edition of 'Reflections', the official newsletter of Govt. College University Hyderabad, the most historic educational institution of Hyderabad. For over a century this institute in capacity of a Degree College has produced amazing talent and contributed to community development. Now, being given university status in 2018, this institution has duly been recognized by the Government and a whole new avenue of development has been opened up for the students as well as the faculty.

It is a matter of pride for me, especially as a female, to be the maiden Vice Chancellor of the first public sector university in Hyderabad. Taking pride in the history, culture and achievements of this institute, the GC University Hyderabad will now aim for excellence on the canvas of Higher Education and lead through research, innovation, technology, collaboration and quality teaching-learning.

The GC University Hyderabad campus has all the necessary facilities and resources available to enable our students to learn, innovate, excel and compete at the highest level with the amazing team of GC University Hyderabad leaving no stones unturned to deliver their best for the development of our students. With the support of the Government and with a focus on continuous improvement and a fresh outlook, GC University Hyderabad aims to become one of the best Public Sector Higher Education Institutions of the region in times to come.

'Reflections', the GCUH newsletter will be highlighting the latest happening at the Govt. College University Hyderabad and keep the readers and interested stakeholders up-to-date with the developments at GCUH.
