

GC UNIVERSITY HYDERABAD

CAREER OPPORTUNITIES

Position: Research Fellow (4-month contract)

Project Title: Knowledge, Attitude, Practices, and Beliefs about Disaster Risk Reduction: A Study of Flood-Affected Areas of Sindh

We are seeking a highly motivated and dedicated individual to join our research team as a Research Fellow for a period of four months. This position offers an opportunity to contribute to a research project funded by Sindh Higher Education Commission (SHEC) which focuses on disaster risk reduction in flood-affected areas of Sindh, Pakistan. The selected candidate will receive a fixed pay of 15,000 PKR per month.

Qualifications:

1. Active and full-time research student in the field of Political Science/Public Administration/Economics.
2. Strong interest in disaster risk reduction and community resilience.
3. Proficiency in quantitative research methods, including data collection and analysis.
4. Excellent written and verbal communication skills.

To apply, please submit the following documents before **05 August, 2023**

1. Updated Curriculum Vitae (CV) highlighting relevant academic qualifications and research experience.
2. A sample of your research writing (not exceeding 300 words) on the topic of Disaster Risk Reduction.

Please email your application to undersign. Only shortlisted candidates will be contacted for an interview. The selected candidate will be expected to start immediately.
